Let's build an artifact. We'll need:

> **A source image** – we'll use this one (by Bryan Mathers) from Jim Groom's post reflecting on the workshop Towards Openness – Safety in Online Learning.
>
> **What we want to add to it**, such as:
>
> Definition of key terms, such as VPN, and links to helpful services like tracker blockers.
>
> Our video from the workshop.
>
> Recent news of relevant interest.
